### **Christian Editorial Standards**

Truth2RenewHearts Publishing is a Writing & Assisted Self-Publishing Consultancy which partners with high-achieving and purpose-driven women, entrepreneurs, leaders, and influencers of faith to release their professional expertise, signature message, story, and passion into the world. As a supported self-publisher, we work alongside authors to present messages from a biblical worldview.

**Titles published with the Truth2RenewHearts Publishing brand must meet the following standards:**

- ✓ **Writers who openly profess to be Christian and have a relationship with Jesus Christ**  
We want to work with authors who are proud of their faith and who profess Jesus is Lord, according to Romans 10:9-10.
- ✓ **Writers who are actively striving and aiming to live a lifestyle that is pleasing to God and draws others to Christ**

We believe that only one is perfect, and that one is Jesus Christ. Therefore, we understand as humans we are not perfect, however we do believe that we have the power to present our bodies as a living sacrifice (Romans 12:1) unto Him. We look to publish works of messengers who are glorifying God in this way.

✓ **Content in the manuscript upholds biblical standards and is consistent with a biblical worldview**

Titles should challenge, encourage, inspire, and transform the hearts, minds, and souls of the readers, empowering them to draw closer to God and/or perceive their lives, situations, and circumstances through a biblical worldview.

✓ **Content is morally and spiritually pure, and free of counter-biblical teaching**

We will not publish works which contain the following:

- Profanity
- Details, directions, encouragement, or promotion of the practice of witchcraft, the occult, numerology, horoscopes, magic, horror, new age practices, and the like
- The encouragement of violence against, or hatred of, any social, cultural, ethnic, gender or religious groups
- Indiscriminate violent or sexual content described, implied, or encouraged.
- Recommendations or instructions that may be harmful to readers or others
- Personal proprietary right violations or infringements; including but not limited to copyrights, trademark rights, trade secret rights, contract rights, privacy rights or publicity rights of any persons

### **Upholding a Christian Worldview**

Editorial Standards are essential to our partnership with authors. *Can two walk together, except they be agreed?*- Amos 3:3 KJV. As a Christian publisher, we strive to uphold Biblical principles and to empower people with God's Word. As you profess to be a Christian, we want you to be confident that you are joining a family of authors and a publishing partner that upholds a Biblical worldview along with you. We also strive to present works to the world that customers can trust will inspire, motivate, transform, and renew readers' hearts and minds. **Works that are not aligned with these standards will be not be published through Truth2RenewHearts Publishing.
