About Us

Recognizing your position as a multi-faceted Kingdompreneur, professional, or ministry leader, we know that you have a demanding schedule and you value time-freedom. Understanding this, our team of professionals handle all the intricate details of the self-publishing process for you, relieving you of the need to learn the complexities of publishing. As we execute behind the scenes, you'll be able to continue fulfilling your current roles and responsibilities with excellence, while you also prepare to add author to your name and transform the lives of those you're called to reach with your message.

Dear Author,

Congratulations on completing the first major step of preparing your book for publication: *writing your manuscript!*

Now it is time to polish your words by taking your manuscript through the editing process. What distinguishes a professional book from an amateur one, is well-developed content. We are here to partner with you to fine-tune your message so that your readers can rave about your fabulous, well-written, life-changing book!

Our editors thoroughly review your manuscript in order to catch, correct, and clarify your message so that the valuable content you share in your book will capture your readers' hearts. With editing services that are professional and timely, we are dedicated to identifying any grammar, spelling, capitalization, and content mistakes so that the readers of your book do not have to.

Microsoft Office is the platform we use to provide editing services. Our editors will make changes, recommendations, and suggestions within your manuscript, and you will have the power to accept or reject the changes. You retain full control of your manuscript and maintain 100% of your intellectual property rights.

Thank you for your interest in the Editing Services we provide through Truth2RenewHearts Publishing. We are looking forward to serving you and enhancing your manuscript before you share your message with the masses!

Yours In Service,

Teresa Renee Hunt, M.Ed
