Investments & Installments

* Investments and requirements are subject to change

In order to ensure efficient publishing services and to make the payment process attainable for our author clients, an installment plan is available.

For each package, an **initial 50% non-refundable installment is required**. We recommend that the book publishing process begin four months prior to the anticipated book release date. The time frame for publication completion may vary. Author clients must provide their complete book manuscript, along with front & back matter, at the time of their non-refundable deposit. The remaining 50% must be submitted within the given timeline, and no later than 6 weeks after the initial deposit. Truth2RenewHearts will submit an invoice via email for the services to be rendered. Online payment and valid check payment are the only acceptable methods of installments.

*Disclaimer: Prices are subject to change without prior notice. The prices listed do not include any applicable sales tax, which will be added to the total at the time of purchase.

Other restrictions may also apply.

Publishing Requirements

We are committed to producing a professional book product that is bookstore quality and can stand next to any traditionally published book. As such, Truth2RenewHearts Publishing offers book cover creation and design through our team as a **required element** of each book publishing package.

Additionally, as our goal is to ensure your book product is professional from cover to cover, author clients must include a professional head shot to be used on back cover of the book. Author clients who have an existing professional head shot may submit it for review. Only the professional head shots that meet design and pixel requirements will be included on the back cover. The author client's book cover will also include the official Truth2RenewHearts Publishing imprint on the back which gives the author distinction and credibility as a professional author. As a Christian company, all titles must align with our Christian Editorial Standards.

Thank You

for your interest in Truth2RenewHearts Publishing. We are looking forward to partnering with you! You are welcome to contact us about your specific project. We are happy to serve you as you write & release your book to the world.
